Notice

To Tandy 1000TX Computer Owners

The *Tandy 1000HX/1000TX Quick Reference* manual
contains information for using an Enhanced Graphics
Adapter (EGA) with GW-BASIC.

At this time, EGA support is not available for the Tandy
1000TX, but will be available in the near future. Please
keep in touch with your local Radio Shack® or Radio
Shack Computer Center® to obtain this upgrade when it
is available.
